SNAP! Productions Press Release (01/10/10)

For Immediate Release

## SNAP! Productions to mount the play *Execution of Justice*

This is the perfect companion piece to last year's Academy Award winning film biography "Milk".

In 1982, Emily Mann penned a gripping courtroom drama that explores the trial surrounding the shooting of City Supervisor Harvey Milk and Mayor George Moscone. This trial is considered a landmark court case and ultimately lead to what we now know as the infamous "Twinkie Defense".

Ms. Mann has set the play in an interview style. The play mixes both live action and video footage to recreate the feeling and attitudes that prevailed around the time of the trial. *Execution of Justice* shows us how societal prejudices can shape the outcome of our judicial system.

M. Michele Phillips will direct this drama and is very fortunate to have assembled a cast that includes SNAP! veterans Matt Allen, Jennifer Gilg, Thomas Lowe, Michal Simpson, Scott Fowler, Jerry Evert, Barb Ross, Judy Radcliff, Robert Williams, Echelle Childers, Mark Cramer, and Stacy Lamb as well as talented and professional newcomers to the SNAP! stage - Josh Mullady, Heather Hannerford, Fred Slegers, Melinda Mead and Laura Maxwell.

We're also excited to work again with set designer Adam Nathan, Shelterbelt board member and resident creative genius. And recent RENT star, Audrey Fisher, will take a brief respite from the stage to design lights. Rounding out the production staff are SNAP! stalwarts Ron Osborn (Costume Design), Brian Callaghan (Stage Manager) Michal Simpson (Producer), Mark Cramer (Visual/Graphics Designer), Rhonda Hall (Props Design) and Dan Baye (Sound Design).
