ACT TWO SCENE ONE

Eight Weeks later...

LIGHTS UP on the DINING ROOM- which is a mess. Seems to be tomatoes and tomato products everywhere. We see tomato vines starting to cover up the windows.

A hip right wing BLOGGER, MICHELE is the guest.

MICHELE

--we did a poll on my blog and over 70 percent of my subscribers agree with me. J. K. Rowling MUST DIE!

MARK

(exasperated) You want to kill J.K. Rowling for writing Harry Potter?

MICHELE

It's blasphemy.

JUDE

You realize you're calling for a "Fathwa"?

MICHELE

(confused) I don't care if she's fat or not. Me and my fellow bloggers care about what she wrote. And for that, she shouldn't be allowed live.

JUDE

(frustrated) Michele. Islamic extremists said the same exact thing about Salmon Rushdie.

MICHELE

I'm sorry. Who?

PAULIE

Did you used to be the Governor of Alaska?

PETE

Okaaay. I've heard enough. How about a toast?
